Please read the terms and conditions below and acknowledge acceptance of the PO.

Terms and Conditions:

- 1. ACCEPTANCE OF ORDER**
Acceptance of the order shall constitute a contract for sale as between the buyer and seller and shall imply that the seller has accepted all the terms and conditions specified in this purchase order. Notwithstanding anything contained in any quotation whether verbal or in writing submitted by seller in respect of goods forming subject matter of this order, the rates, quantity, specifications, terms and conditions mentioned in this purchase order shall be final and binding on seller.
- 2. QUANTITY & DESCRIPTION OF GOODS**
The goods and/or services supplied against this order must be equal to the quantity specified in this purchase order and must be in accordance with specification if any, mentioned in the order. If no specifications are mentioned in the order, the goods shall be of the best quality and workmanship and such are acceptable to the buyer. When a supplier's sample has been approved, the goods supplied must be identical in all respect with such approved sample. Goods supplied in excess of the quantity ordered are liable to be rejected.
- 3. QUALITY**
The goods shall correspond with description or the sample or the original specifications thereof in all details. Otherwise, the same shall be liable to be rejected by the Buyer and the Seller shall be deemed to have wrongfully neglected to deliver the goods according to contract. It is a condition of the contract (in addition to all condition and warranties implied by law) that the subject goods shall be good material and workmanship, merchantable adapted for the purpose intended and free from defects.
- 4. CONFIRMITY TO TECHNICAL SPECIFICATION**
In respect of goods which are required by the order to confirm to chemical and/or physical and/or performance specification and where conformity or goods supplied to such specifications cannot be readily determined at the time and/or place of receipt such goods shall be accepted provisionally. However, in the event of subsequent evidence of non-conformity of such goods to be specified chemical and/or physical and/or performance characteristics, the seller shall be liable to compensate the buyer in full for all costs. If any, incurred by the Buyer in replacement and/or repair of damages directly/indirectly caused in any/or by such goods have been incorporated in the Buyer's products or otherwise from part of Buyer's business including any damages caused to the third party. The Buyer also reserves the right of rejections of a part or the whole supply of such goods upon evidence of non-conformity to chemical and/or physical and/or performance specifications.
- 5. TEST CERTIFICATE**
All Certificates called for in the specification or order must be sent along with delivery papers including invoice. PES Engineers Pvt.

Ltd., may test any goods supplied and their decision is final irrespective of supplier's certificates. If test certificate and guarantee certificate are not received along with the document and stipulated in these specifications, PES Engineers Pvt. Ltd., reserves the right to either reject or get material tested and recover the expenses from the supplier without awaiting supplier confirmation.

6. DELIVERY

Unless otherwise stated on the order all the goods are delivered free at the address specified in the order.

DELIVERY TIME IS THE ESSENCE OF THIS CONTRACT AND MUST BE STRICTLY ADHERED TO:

The Buyer shall be entitled to rescind the contract wholly or in part if delivery of the goods is not made in accordance with the terms of the contract without taking any formal step such as demand notice etc. In the event of the Seller's failure to deliver the goods in time it will be at Buyer discretion to either (a) Hold the Seller liable to pay the Buyer damages for non-delivery of goods on the basis of the difference between the market and the contract rate. (b) Failure to meet the delivery date or delivery according to specified quality would result in automatic cancellation of the order unless the delivery date is extended giving full justification of the delay well before the expiry of delivery date in the event of non-delivery within the stipulated time, the buyer at his sole discretion may accept late delivery on the Seller agreeing to pay to the Buyer such amount by way of penalty as maybe imposed by the Buyer. Delivery is to be made to the Buyer's receiving staff who is authorized to accept goods and sign challans. The buyer declines all responsibility of payment, if delivery is not effected as directed. The seller shall deliver the goods and/or service at place and during the timings specified in the order. If goods are offered outside the above mentioned hours, the Buyer may either return the goods or at its option, detain the vehicle/carrier until the next day. In such event the company shall not be liable either for the safety of the goods or the vehicle/carrier for any charges whatsoever arising from such detention.

7. PACKING

(a) The supplier shall securely protect and pack the goods against removal and checking on site and comply with carrier conditions of packing or established trade practice.

(b) Cases and packing material shall be supplied free of charge unless otherwise agreed to.

(c) Damage to the consignment resulting out of poor/inferior packing shall be to the account of supplier.

8. EXAMINATION OF GOODS

Irrespective of the fact that the goods are delivered to the Buyer by the Seller either at the seller's place or at the Buyer's place or at the site stipulated by the Buyer or are dispatched to the Buyer by rail, road or air, the acceptance of the goods shall always be subject to examination for ascertaining whether the goods are in strict conformity with the contract or not and till then in no event the Buyer shall be deemed to have accepted such goods. The Buyer's decision in the matter of quality will be final.

9. ACCEPTANCE OF GOODS

Acceptance of any of the goods shall not discharge the Seller from liability for damages or other legal remedy to buyer for any breach of any condition of warranty contained herein or implied by law. If after accepting the goods or any of them any defects therein either in material, workmanship or otherwise become known to the Buyer and such defects amount to breach of any condition or warranty here under or implied by law, the Buyer shall within a reasonable time notify the Seller of such defects and shall (in addition to any other rights or remedies that the Buyer may possess) be entitled to reject the defective goods and hold the same at the Seller's risk. The Seller shall be responsible and be liable to forthwith replace or to repair at the option of Buyer, free of cost, the goods supplied under the order or any part thereof if any defect in the composition or substance or material or workmanship or process of manufacture in the design of the goods is observed and brought to the notice of the Seller within 24 calendar months from the date of delivery.

10. REMOVAL OF REJECTED GOODS

Within 15 days from date of intimation from the Buyer of his refusal to accept the goods, the seller shall remove the rejected goods from the Buyer's go-down or site at his own cost. The Buyer shall not be responsible for or be held liable for any loss or deterioration of rejected goods. The Seller pay to the Buyer reasonable storage charges for such rejected goods for the period exceeding 15 days as aforesaid. The seller shall consequently pay to the buyer the total price at which the Seller purchases the goods from third party and the price calculated at the rate set out in the order.
