2. ARBITRATION -

All disputes arising in connection with this Agreement / Purchaser Order shall be finally settled and governed by the provisions of Arbitration and Conciliation Act, 1996. The arbitration panel shall consist of three arbitrators, one to be appointed by each Party and the third arbitrator shall be appointed by the two appointed arbitrators. The third arbitrator shall serve as a chairman. The award of the arbitral tribunal shall be final and binding on both Parties. The place of arbitration shall be Mumbai (or any metro city in India) . The proceedings shall be conducted in English language.

3. Force Majeure :

Neither party shall be liable for any loss, damage, failure or delay in performing its obligations under the contract to the extent directly or indirectly caused by or arising from an event of Force Majeure, which shall include but not be limited to acts of God, acts of governmental authorities, earthquakes, strikes, fire, war, flood, epidemics, civil unrest, riots, pandemic, ongoing Coronavirus (COVID-19) or other causes beyond its reasonable control. The timelines shall be extended for a period equal to the time lost by reason of delay plus such additional time as may be reasonably necessary to overcome the effect of the delay.

Change in Specification: The Buyer's request for change in specification or scope shall be in writing. If necessary, the Seller shall diligently, but in no event later than thirty (30) days after receiving such request, advise the Buyer of any change in agreed Order Price/Delivery Schedule, which may result from such proposed changes. The Parties shall thereafter mutually agree on the changes and sign suitable amendment to the Order incorporating the changes. The Seller may make necessary technical alterations during the progress of the manufacture and delivery of the Equipment, with the specific written intimation to the Buyer, which do not affect the quality and performance levels of the Equipment. The Buyer may give written suggestions subject to change in agreed Contract Price and/or Project Time Schedule being agreed to.

Secrecy And Intellectual Property Right: The information furnished by the disclosing Party is for the single and sole use for the execution of this Contract and shall be treated as strictly confidential by the receiving Party, his employees and agents, and shall always remain the property of the disclosing Party. The Parties undertakes that they will not copy, decompile, modify, reverse engineering, or create derivative works out of any Confidential Information without the written consent of the disclosing Party and the information shall not be used or disclosed to third party(ies) by receiving Party for any purpose whatsoever other than the execution of Contract. The Buyer undertakes that the information shall not be used or disclosed to third party(s) by the Buyer for any purpose whatsoever other than repair & maintenance of the Equipment.

In case of any third party's claim, whether raised on an amicable basis or pursued before the courts, the Seller shall immediately stand in for the Buyer, defend, indemnify and hold harmless the Buyer, and its respective officers, directors and employees, against all losses, liabilities, damages, costs and/or all expenses, including attorney fees and expert fees, arising directly or indirectly from any such claims, actions or lawsuits, alleging infringement of any Intellectual Property Rights in connection with the Equipment and use thereof as specified in the concerned Order.

The Seller shall at its own expenses defend all such claims, proceedings or suits against the Buyer. In any case, all sums which may be disbursed by the Buyer with respect to costs, fees and/or damages due under penalties awarded by a competent authority or legal decisions against the Buyer shall be fully reimbursed by the Seller to the Buyer.

SUPPLIER'S NAME : INDIA ELECTRICALS SYNDICATE

If the use of the Equipment delivered by the Seller hereunder is enjoined because of infringement of any patent covering the design of the Equipment, the Seller at its own choice shall either, at its own cost and expense without any limit, procure the license for the continued use of the Equipment or change, at its own cost, the infringing Equipment or parts thereof to the extent necessary to avoid such infringement. If the Seller fails to prevent the infringement and fails to either procure the license or change/replace the equipment to the satisfaction of the Buyer, the Seller shall refund complete amount so received by the Seller from the Buyer in connection with the such infringing equipment and shall also reimburse the Buyer all associated direct cost and expenses incurred by the Buyer in making the infringing equipment operational. It is hereby confirmed by the Parties that the foregoing states the entire liability of Seller for patent infringement relating to Equipment.

The Buyer shall indemnify and hold harmless the Seller and its employees, officers and Sub-Sellers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of whatsoever nature, including attorney's fees and expenses, which the Seller may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided by the Buyer.

The provisions of this article shall survive expiration or termination, for whatsoever reason of the Contract for a period of 05 years after the termination or expiration.

4. Environment and safety guidelines-

-

- Material Safety data sheet(MSDS) should be supplied and legal compliance should be followed by vendor wherever applicable.
- Vendor compliance with HSE Policy is mandatory.
- Vendor should use environment friendly packaging material if possible.

Supplement Text

1. In case of Material Rejection, You have to lift the material within a week from notice by AMNS, required documents/resources to be arranged by supplier.
2. Performance LD (as per agreed PG LD list) is applicable in-case of default/deviation in efficiency level during FAT agreed during commercial negotiations. LD will be applicable on affected Lot.
